

LONG ISLAND STATE VETERANS HOME **PET VISITS**

In order to provide a home-like environment, the LISVH Therapeutic Recreation Department encourages the therapeutic use of animals within established guidelines.

- All animals visiting the premises must be free from disease and have received all immunizations as recommended by a licensed veterinarian.
- All animals visiting the premises must be kept out of the laundry, clean and soiled storage area, food preparation areas, and all rooms during food distribution and consumption.

*Please call **THERAPEUTIC RECREATION** to register your pet for visitations at **(631) 444-8522**.*
